NYLA SCULPTURE

SKU: ZQS-450-13

Create a modern statement with this knot sculpture cast in aluminum then antiqued to highlight all of the surface texture. We love this piece displayed on a surface and at a height that allows it to be viewed from all directions. The large scale makes it a focal point; treat it like a work of art. DIMENSIONS 15"w x 11"h x 13.5"d
